LETTER SUBMITTING CORRECTED PTO-1449 FORM

Sir:

An Information Disclosure Statement and corresponding PTO-1449 form were submitted in the above-identified application on January 14, 2004. Applicants note that there were typographical errors on the PTO-1449 form, in the listing of one of the foreign patent documents and one of the U.S. patent documents. Accordingly, submitted herewith is a corrected PTO-1449 form, in which the Japanese Patent Document misidentified as having no. "10-150532" has been correctly listed to have no. --10-150523--, and in which U.S. Patent No. "6,604,805 B1" has been correctly listed to read --6,604,085 B1--.

It is respectfully requested that a copy of the enclosed corrected PTO-1449 form be returned, indicating that the information listed thereon has been considered.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

Attorney for Applicants
